OFFICE OF THE PRESIDENT,
CITY MUNICIPAL COUNCIL, MYSORE.

Dated 26th Oct 1943.

SECRETARIAT 29 OCT. 1943

SUPPLY 1 NOV 1943

From

B. S. RAGHAVENDRA RAO, Esq., M.A.(Hon.),
PRESIDENT, CITY MUNICIPAL COUNCIL,
MYSORE.

To

S. Narayana Rao, Esq., M.A.,
Director of Civil Supplies in Mysore,
Bangalore.

Sir,

Ration Census in Mysore City.

I have the honour to state that the programme of taking the ration census in Mysore City between the 13th, 14th and 15th of Nov. 1943 has been approved and announced.

The work involves house to house distribution of forms in one day, the collection of forms the next day and verification of the number of inmates and the stock of food grains in each house on the third day. On this day alone all persons would have to be requested in advance to remain in their homes for final verification. After the results of the census are tabulated, ration cards have to be written up and distributed to house-holders.

The census population of Mysore City in 1941 was 1,50,364 and at the usual rate of increase we may have to deal with about 1,70,000 at present.

The census cards to be filled in by the house-holder will provide for information regarding the number of adults and children in each house, the stock of food grains under paddy, rice, ragi, jola, kerosene oil and sugar and also whether the person owns agricultural lands or not and whether he is a pure vegetarian or a man taking a mixed diet.

As the census work has to be pushed through in a very short period of one month, it is contemplated that about 1000 enumerators and about 250 supervisors have to be taken in for this work. To get through this huge volume of work in this city which covers about 13 sq. miles within the allotted time and to tabulate the results and issue ration cards and get them distributed within such a short period, the following

temporary establishment is a necessity.

1. One Head Clerk on Rs.80/-.
2. One Senior Clerk on Rs.60/-
3. ~~Ten~~ Ten Clerks including two Typists on Rs.40/-each.
4. Six Census Inspectors on Rs.60/- each.
5. Sixteen peons on Rs.10/-each (two for each Inspector and ~~one Daffedar on Rs.12/-~~ 4 for office)
6. One Night Watchman and One Cycle Orderly on Rs.12/- each

The Establishment is required for a period of two months.

Immediate sanction of Government is requested for the above establishment for a period of two months.

A cycle has to be purchased or hired out ~~an~~ and sanction for this is requested.

Since the Census Officers have to be moving constantly in the city in connection with the Census, distribution of ration cards, a provision of Rs.360/- has been made as Conveyance charges and this may kindly be sanctioned.

The A.R.P.Officer and his A.R.P. staff have kindly consented to co-operate in this work and they will also have to be moving about frequently in their Divisions and therefore the Divisional Wardens, the A.R.P.Officer, the Chief Warden and the Chief Lady Warden need a supply of a reasonable quantity of petrol and a sum of Rs.150/- has been provided therefor, for this purpose. This may kindly be sanctioned.

For contingency, such as, forms to be supplied, supply of thumb-impression pads, gum, safety pins, and other unforseen items, a sum of Rs.500/- has been provided and this may kindly be sanctioned.

The A.R.P. staff have to work for full three days for Census work and again on the day of distribution of ration cards and in addition to preliminary work of mapping etc., Considering all these, a sum of Rs.3/- per head has been proposed to be given for work, including distribution of ration cards.

Hence a sum of Rs. ~~4,000~~ 3750/- is provided and this may kindly be sanctioned.

As work has to be commenced immediately, the amount necessary may kindly be placed at the disposal of the Census Officer.

Sanction may also be kindly accorded for providing a telephone to the table of the Assistant Census Rationing Officer.

Immediate orders are solicited.
